REPORT OF PUBLIC HEALTH NURSE

District Nursing Service

(January 1942 to January 1943)

The Nursing Committee held seven meetings to conduct the Public Health Nursing work in Lancaster. Under their able directions, and the supervision under the Red Cross Nurse consultation for Vermont and New Hampshire, the work has been carried on "To Serve."

Kind and number of cases were:

Antepartum	21
Deliveries	8
Postpartum	9
Non-communicable	95
Acute-Communicable	1
Other Communicable	39
Tuberculosis	9
Crippled Children	6
New Born	15
Infants	21
Pre-school	75
School	77
Adults	1
Others	9

Total number of cases	395
-----------------------	-----

Number of visits to, or in behalf of these cases	1,855
--	-------

Number of days on duty	258
------------------------	-----

Number of days for substitute	24
-------------------------------	----

Number of days on vacation	30
----------------------------	----

The Arthur P. Mahaney Post, No. 30, American Legion, New Hampshire, conducted the Child Health Station in cooperation with Public Health Nursing. The number of sessions was eleven. The number of individuals attending were one hundred and sixty-four.

Division by groups:

Infants	51
Pre-school	74
School	39
Number of physical examinations	241
Number protected against Diphtheria	143

Divided into groups:

Pre-school and infants	104
School	39

The immunization was given with the cooperation of the State Board of Health. There were three school and eight pre-school protected against Whooping Cough.

One Chest Clinic was held in cooperation with the Tuberculosis Association. There were thirty-two patients attending.

Orthopedic Clinics held at Littleton Hositpal by the State for the North Country are very well attended.

I have attended six Nurses' meetings.

Cod liver oil, purchased by Red Cross Chapter and the Emmons Smith Fund, is given out at the Nurse's office for those in need of same.

Respectfully submitted,

MARY H. CAREY,
Public Health Nurse.

CHAIRMAN'S REPORT

In the year just passed the country has had its first real consciousness of the fact that we are in a gigantic war. Most serious of this has been the fact that our youth have been taken by bus load after bus load where they were inducted into various branches of the military service. Practically every family in town has been affected either directly or indirectly by someone rather close who is now in the military service. The future of these youth is definitely uncertain. They have had to give up their plans and their life's work, their homes and their friends in an effort to assist our country in preserving a way of life which all Americans enjoy. Whether all of these youth return or not no one knows. It's quite possible that some may not. Already one family has had the feeling of supreme sacrifice in our country's effort to attain the democratic way of living.

With the rationing of tires, gasoline, food, and some articles of clothing the part that the remaining citizens have to play seems rather small as compared to the task that has been assigned to our youth. While the Spending Committee may from time to time be in a position to render some ray of comfort through its various projects to the citizens of the town, it is quite possible that they may be compelled to discontinue some of those institutions or phases of recreation and pleasure that have been maintained in

the town for some years back. As long as it is physically possible such facilities as the Col. Town Spending Committee have at their disposal will be maintained for the convenience and comfort of the residents of Lancaster. If, as, and when, however, the discontinuance of any or all their projects will assist our government in the termination of the tragic world struggle we now find ourselves in, the committee feels confident that the people of the town will be wholeheartedly behind them in cooperation of this type. The Spending Committee feels its responsibility in aiding the termination of this war as much as our youth that are offering their lives.

D. A. O'BRIEN, Chairman

Col. Town Spending Committee.

Secretary's Report

The Colonel Town Spending Committee for 1942 was composed of the following members: Dr. W. M. Bronson, L. E. Bragg and O. Leo Connary, whose term of office expires in 1943; Miss Evelyn Moyle, Enos G. Fay and Dan O'Brien, whose term of office expires in 1944; Mrs. Katherine Lane, Carroll Stoughton and Elmer Dickey, whose term of office expires in 1945. This group met and selected the following officers for 1942: Dan O'Brien, Chairman; Enos G. Fay, Treasurer; and Miss Evelyn Moyle, Secretary. Following sub-committees were appointed to serve for the ensuing year: House Committee, Dr. Bronson, Chairman, Enos Fay and Miss Moyle; Field Committee, Mr. Stoughton, Chairman, O. Leo Connary and Dan O'Brien; Camp Committee, Louis E. Bragg, Chairman, Katherine Lane and Elmer Dickey; Scholarship Committee, D. M. White, Chairman, Enos Fay and Carroll Stoughton. The contract of the Daleys was renewed.

Like most things during the past year the Col. Town functions in the community passed along rather

uneventfully. The house at the camp was removed and ground graded. Considerable time was spent in deciding whether to remove the house or repair it. Each year for the last few years the committee has met in the area and weighed the problem. Finally, it was decided that the condition of the house was such that repairing it would be a prohibitive expense. The committee further felt that after it was repaired it would not meet the needs that the camp was supposed to present to the town. As a result, the house was torn down. While it was a rather old structure and some sentiment prevailed regarding it, its removal has made possible grading the land and from the point of view of a camp the area will be definitely improved. Due to limited transportation facilities the camp was not used as much this year as in the past. Although the committee attempted to establish bus service, the use of vehicles for this type of service was ruled non-essential.

A rather extended period elapsed and much controversy prevailed relative to whether the Community House would be continued in operation during the winter or not. Events in relation to fuel automatically solved the problem. It was ruled by the OPA that institutions of this type must either convert or close. Inasmuch as committee members in the days of construction had the foresight to purchase grates with this equipment it was possible to convert. Up to the present enough coal has been secured to conduct operations. It is hoped that this same condition will prevail in 1943-44.

The committee has supported the various activities in the town that have been the practice for the last few years. The Scholarship Fund under the able leadership of D. M. White has been one of the most gratifying projects. Practically no loss has resulted

from this fund; the quality and character of the youth as demonstrated by their repayment has been a credit not only to the community but to the future possibilities of the young people in the town that have had business dealings with the Scholarship Committee. This committee is able to carry on now with funds repaid by previous borrowers without in any way affecting the income from the general fund.

Some slight modifications have been made in the hall and some changes have been effected to adjust the plant to a more or less wartime need. Some gymnasium equipment has been installed in order to bring about physical development in the youth of the town which has been rather conspicuously brought out by boys that have entered the armed service. One of the greatest weaknesses of the Lancaster youth was the lack of development in the shoulders and arms. Equipment has been installed and classes are being conducted under the direction of the Academy to correct this physical defect of our youth.

One of the most gratifying experiences of the committee was to make the final payment on the debt. All of the income now can be used for various projects that the town may care to carry on which in the wisdom of the committee is within the spirit of the Will.

The committee, similar to other institutions, is represented in the armed services by one member. The vacancy caused by committeeman Elmer Dickey has not been filled, and will not be unless the town so desires, for the duration.

Respectfully submitted,

EVELYN MOYLE,

Secretary.

REPORT OF SCHOOL COMMITTEE

At the annual meeting of the Town School District in March, 1942, Chester Marshall was re-elected for the three year term. Our schools have carried on in a most satisfactory manner during the current year. Three of our buildings need major repairs on the foundations. This will be attended to as soon as labor is available.

REPORT OF THE SUPERINTENDENT

To the Honorable School Board and Citizens of Lancaster School District:

General Conditions

The same seven schools are in operation this year

as in the past. Miss Annie McGinley, who had served so efficiently at the Stebbins Hill School, transferred to the sixth grade in the village, and Dorothy Barnett took her place.

The new teacher at the Martin Meadow School is Greto B. England with successful experience in the Colebrook schools. The Gore School has the smallest enrollment in years.

Repairs

All seven schools were cleaned and painted inside. Screen doors and windows were installed in No. 6.

A major task that should be performed soon is the repair of the foundations at three schools, namely Elm Ridge, Grange, and Gore.

The War Situation

The teachers and pupils in the rural schools have carried on in a commendable way in helping the war effort. The teachers gave efficient aid in the various rationing programs, and the pupils made a praiseworthy contribution in their collection of scrap. All have invested in stamps and bonds.

Enrollment

The decrease in enrollment is due to two factors: First, the loss of State and County children, and second, the removal of some families to centers of war industry. The total loss as shown in table is twenty-two.

Conclusion

The Superintendent wishes to express his appreciation of the cooperation of parents, teachers and pupils in making the school year a success.

Respectfully submitted,

WM. G. FULLER,

Superintendent.

Librarian's Annual Report

Looking backward, the year 1942 has fallen short in Library Book lending about 1000 books, the special reason being that a large portion of the readers with their families have left town to engage in war

service. The Concord, N. H. Libraries report the decline of over 17,000 books. The circulation for the year was 11,821 books, 2,395 being non-fiction.

One hundred and fifteen books have been added to the Library this year, and as usual the Bookmobile from Concord on its customary rounds to the outlying district calls on our Library.

Three of our books are gifts to the Library. "Our side is right" by Ralph Barton Perry, by mistake, was not added to the list in the town report. It represents the Democratic Nations of the world as positively right and the Axis Nations **wrong**, and between the two there is no decision except force. Another gift, "Who walk alone", a book on leprosy, by Perry Burgess, is the story of an ex-soldier, who finds after his return from the war that he has this disease, cuts himself adrift from friends and family and goes to the Colony.

One of the most attractive books is a large volume of "Currier & Ives, printmakers to the American people" with both colored and uncolored plates. From the Office of Civilian Defense in Washington. D. C. many pamphlets for aid, for protection and prevention in war service have been sent.

The Reference Books in the Reading Rooms are, as usual, much used by the High School.

Fines turned over to the Treasurer for the year have amounted to \$87.00.

Following are the magazines to be found upon the Reading Room tables:

- American Builder
- American Forests
- American Girl
- American Home
- American Magazine
- Asia (new)

Atlantic Monthly
Better Homes & Gardens
Child Life
Children's Activities (new)
Colliers
Cosmopolitan
Good Housekeeping
Hobbies
National Geographic Magazine
Nation's Business
Nature Magazine
Popular Mechanics
Popular Science Magazine
Reader's Digest
Saturday Evening Post
Story Parade
Time

Also the Boston Herald, the Manchester Union
and the Coos County Democrat.

Respectfully submitted,

MARTHA W. BRACKETT,
Librarian.

Juvenile Library Report 1942

For the second year an additional sum of \$100.00 has been given to the Juvenile Department of the Library by the Col. Town Fund to be used for the buying of new books. From this sum 98 books were bought, five of which were replacements of books worn out by usage.

During Book Week November 15-21, new books were on display in the Juvenile room, also an exhibit of the flags of our allied nations which was made by a group of the eighth grade girls.

Because of the transportation problem only one

District Library meeting was held this year, that being in Colebrook and was attended by the Librarians of this district.

A group of the Girl Scouts have been coming to the Library to be instructed in the correct way to re-bind and mend books which are worn but still usable. They then in turn repair a book and in this way they earn another Girl Scout badge.

The Bookmobile still visits the Library and the district schools, although not as often as in previous years because of the gas and tire rationing, but they are most welcome when and as often as they can come.

Fines turned in to the Treasurer this year amounted to \$10.00. The circulation of books was 6,931.

Respectfully submitted,

BARBARA S. MAHURIN,

Acting Librarian.
